

# **Loose Leaf Book Structure**

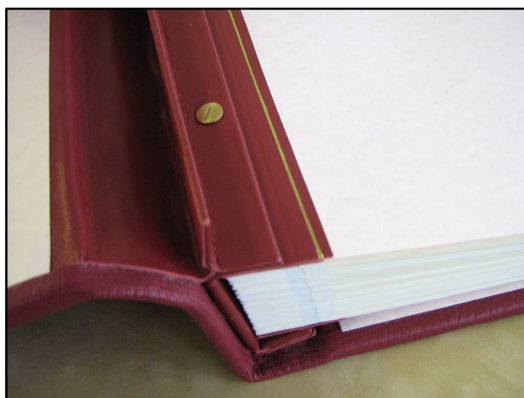

**Hilton Studio**

[www.hiltonstudio.co.uk](http://www.hiltonstudio.co.uk)

**Open leather hinge showing the  
brass post mechanism underneath**

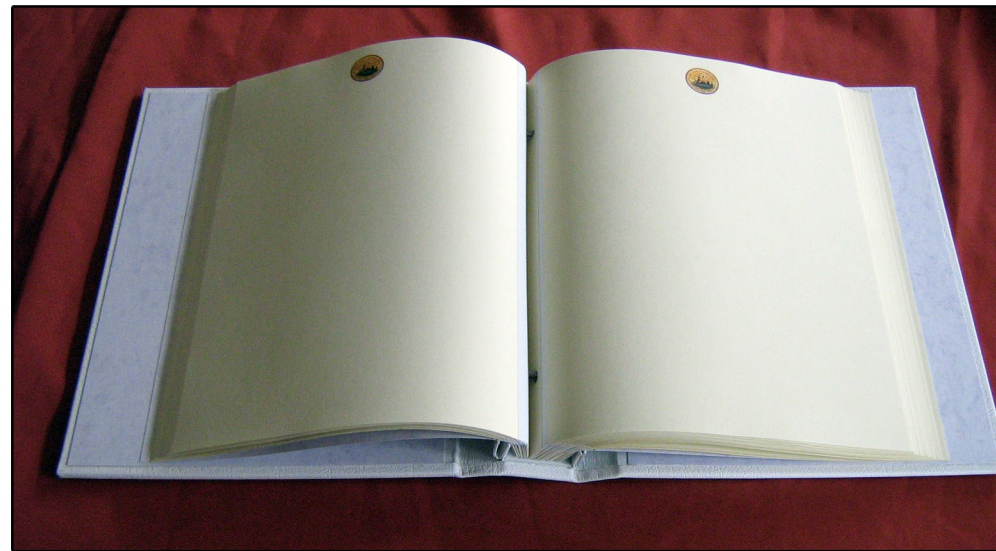

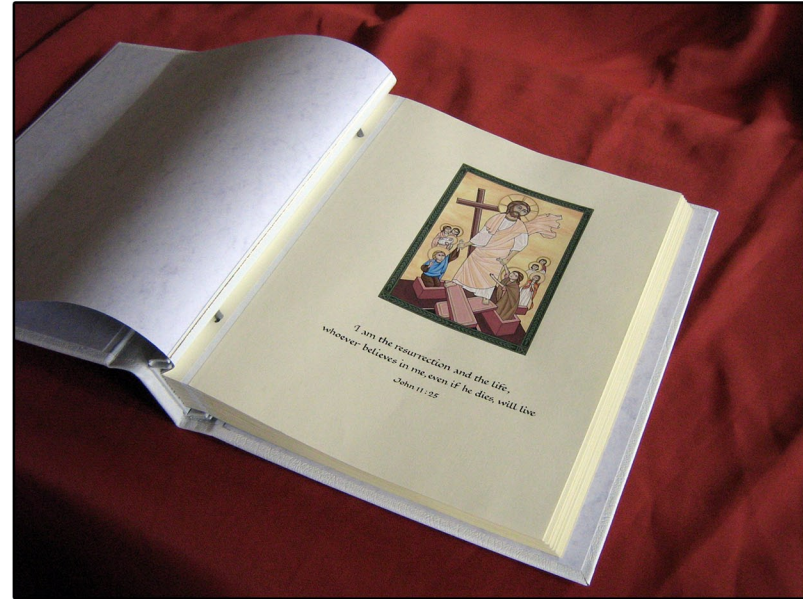

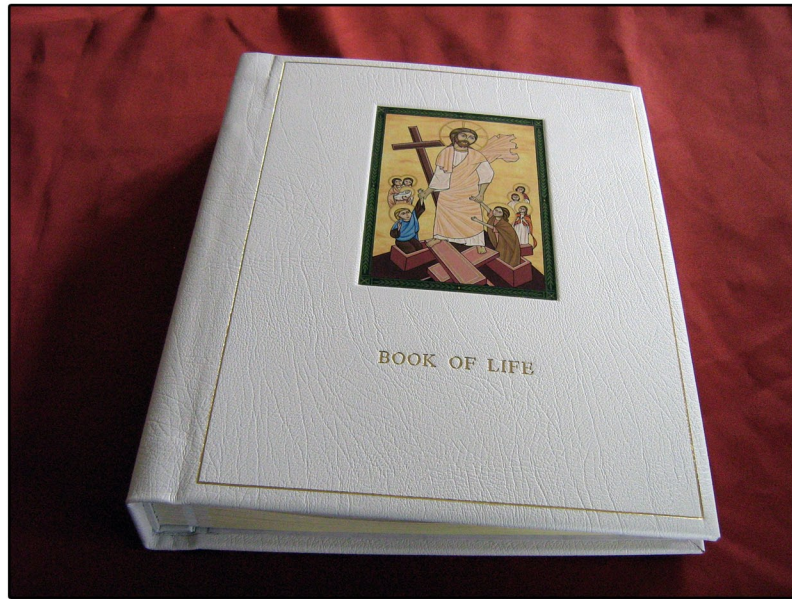

**Closed hinge  
hiding brass post**

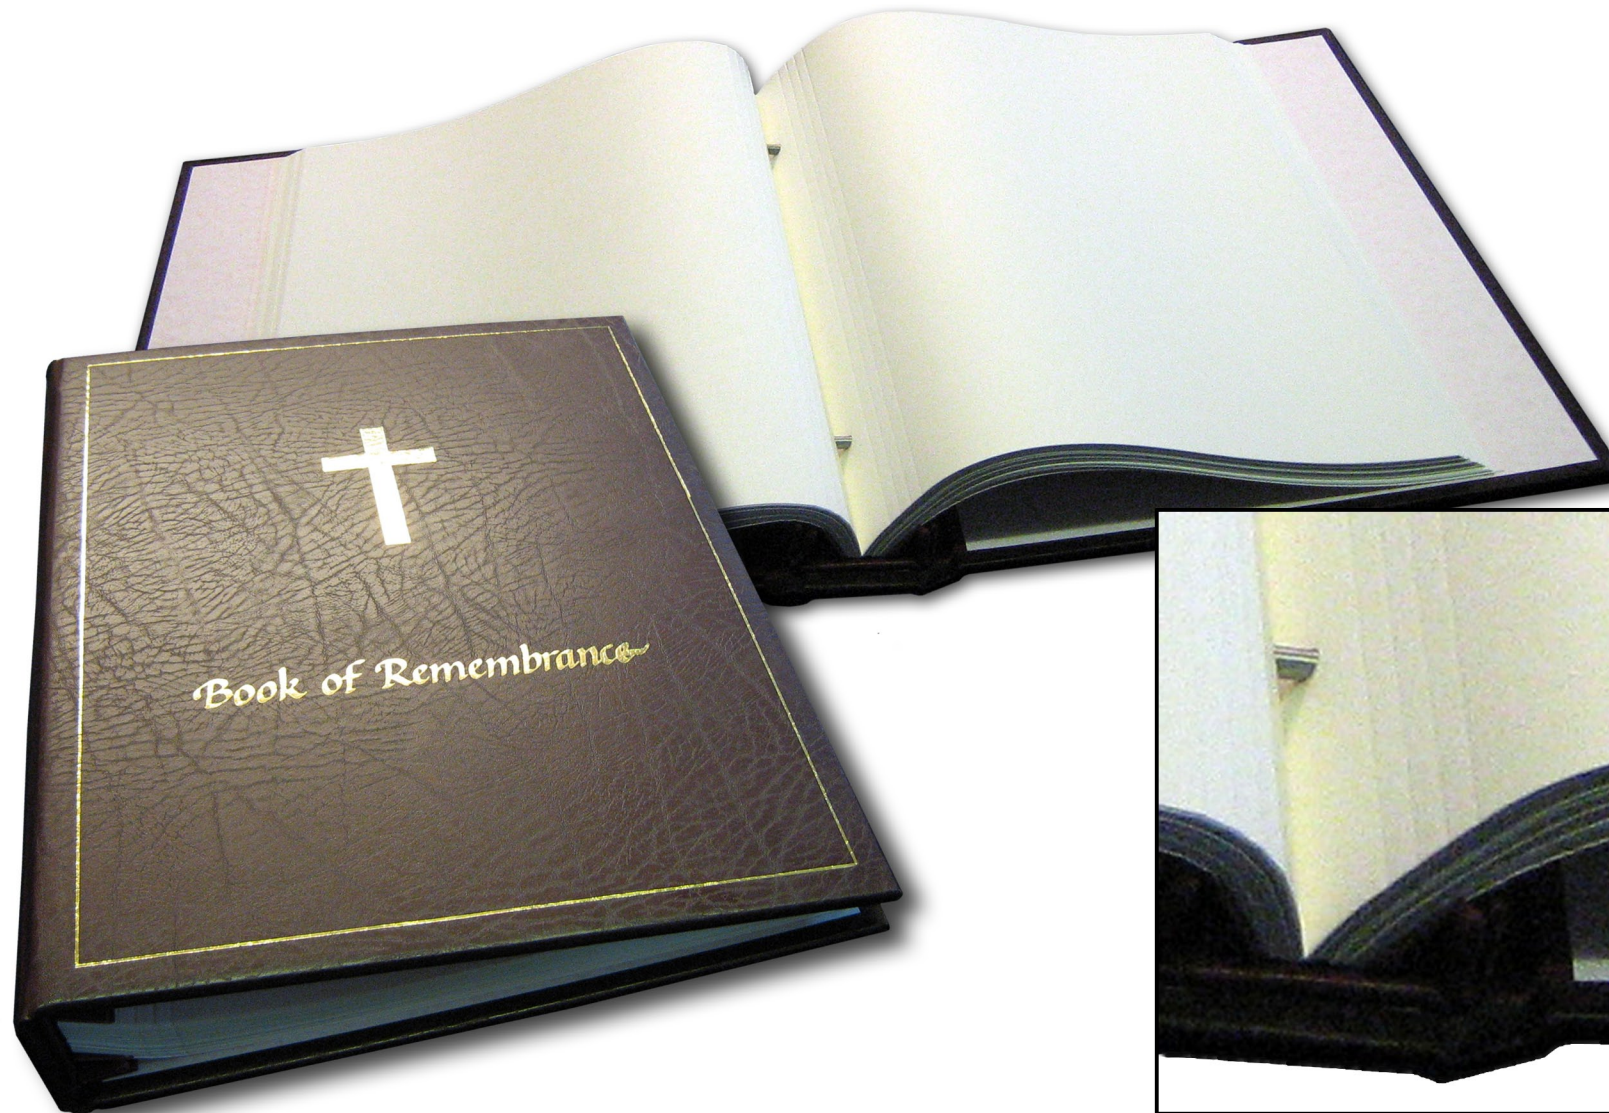

**Loose Leaf Memorial Binder - Little Harbour Childrens Hospice  
with linen edges for pre-printed/hand written books**

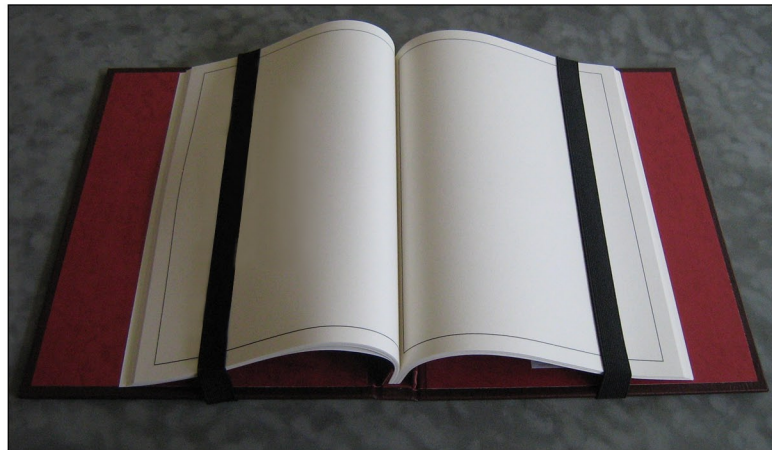

**Loose Leaf Memorial Binder - Children & Babies Memorial, Singapore**  
with linen edges for pre-printed/hand written books

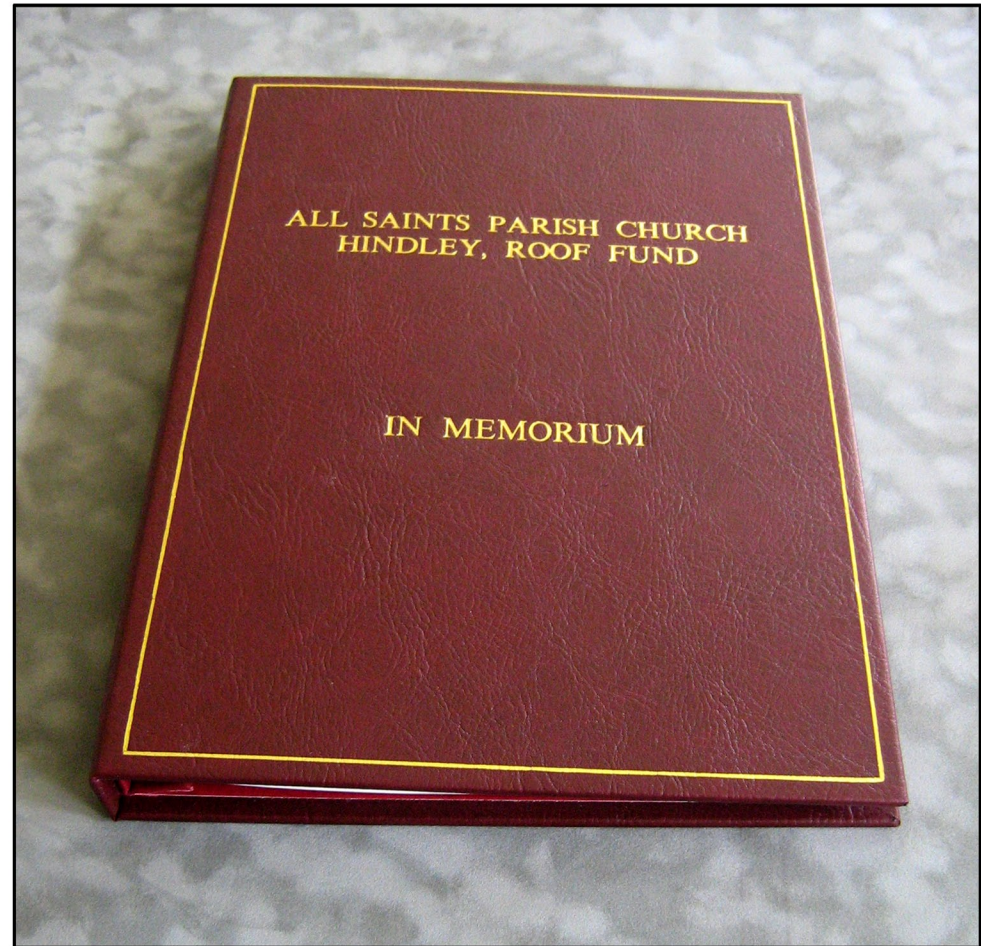

**Portrait Loose Leaf Book - Creased hinges (for home printing)**  
Creased hinges allow for home printing as linen edged pages are not recommended for printers.

Elasticated bands/ribbons to display the book flat when open

**Portrait Loose Leaf Book - Punched Paper with No Hinges (for home printing)**

Smaller portrait format than we normally recommend for loose leaf books so ribbons are required to lay the book flat when open on display (colours vary)
