Quality Commemoration

For over 50 years Hilton Studio has been the leader in the field of producing bespoke, hand made commemorative books and binders, inscribed & illustrated by craftsmen and women using traditional methods of book binding, calligraphy and illumination. With employees from each arm of the Armed Forces it became inevitable that we would be commissioned to produce works for each, and previous clients have included HMS Superb, The Queens Lancs, The Supermarine Spitfire, HMS Forward, Duke of Lancasters Own Yeomanry, Royal Army Medical Corps 202 Field Reg and West Midlands (TA) Reg.

Handmade and inscribed by craftspeople using traditional skills and the finest quality materials.
