Personal Memorials

For many years now we have been supplying our clients with memorial cards and miniature books of a standard style, replicating the entry placed in the Book of Remembrance.

We believe society's attitude towards death and memorialisation is changing, and the trend is to celebrate the life of a loved one as well as marking their passing. Therefore we have compiled a new range of clean lined, modern memorials which provide a bespoke, personal dedication or a copy of the Book of Remembrance inscription.

Miniature Book & Lily Card

Miniature books can now be furnished in a modern brushed faux suede fabric which is available in several colours, the pages of which are blank to accommodate several entries, pieces of artwork, poems or verses.

The Lily Card is produced in a pale cream, heavy weight paper with a square embossed floral design in the centre. Inside is a blank quality paper insert to offer space for more than one entry or an entry & photograph if desired.

Childrens Memorials

The Baby Memorial Card has a teddy bear gold blocked on the front with a bow which can be painted blue or pink.

The Baby Miniature Books are covered in white leather with blank pages.

The calligraphy within both products is written in grey providing a softer look to reflect the sensitive nature of the inscription.

There are several components to the collection:

- The Lily Card
- The Miniature Book
